THE GROWLER

Moss Point, Mississippi 1954

For their genuine interest in our problems, for their patience and understanding, for their continuing encouragement, we, the staff, take great pride in dedicating this our 1954 edition of the Moss Point GROWLER to our teachers.

On the pages of this book is written the story of one of the happiest years of our lives. The Annual Staff of 1954 invites you to join us in reliving these experiences. As you delve through the pages, may your enjoyment equal ours.
